## **Bisk CPA Review Product Manager Valerie Wendt Elected APACPA Vice President For Third Term**

### **APACPA Acts as Liaison Between CPA Organizations and Candidates**

**TAMPA, FL (SEPTEMBER 2, 2008)** – Bisk Education is proud to announce that Bisk CPA Review Product Manager Valerie Wendt has been re-elected Vice President of the American Professional Accounting Certification Providers Association (APACPA) at the 2008 annual meeting of the American Accounting Association in Anaheim, California.

"As this is an elected position from my peers, I am honored to be selected to fill this role," said Wendt, who enters her third consecutive term as Vice President for APACPA.

In her duties as Vice President, Wendt manages the organization's website and presides over quarterly meetings in the president's absence. APACPA is made up of CPA review providers who meet with industry organizations including AICPA, NASBA, and Prometric to gain insight into the CPA exam and upcoming changes to the exam. APACPA also provides those organizations with feedback and suggestions on the CPA exam as expressed by exam candidates.

As Bisk CPA Review Product Manager, Wendt – a 14-year veteran of Bisk Education – ensures CPA candidates pass the exam by providing them with the industry's most comprehensive and up-to-date CPA review products, all backed by a money-back guarantee.

"I oversee the product development of the entire CPA Review product line," she explained. "That includes working closely with the editorial department in the production of the courses as well as the warehouse production department to assure accurate, timely and complete customer shipments. Additionally, I act as the product line's trainer to the sales department."

Wendt has been Bisk Education's APACPA representative for the last six years. The company has been a member of APACPA for over 10 years.
